TESTIMONIALS

I am internee at 360Technologies I just want to say that "Inductin" is definitely one of the best institute in Islamabad. Labs are great, equipment is probably the best you can get while the staff and educators know their way around. I just finished my ASP.NET course and must say I am more than satisfied with the knowledge acquired. Special thanks goes to Mr. Nasir Kyani, Miss Sundas Jabeen, and Mr.Irtiza Ahmed Qureshi educators who have gone out of their way to teach us how to develop a customized and live projects and software.

KHAYAM NASIM

It was a great learning experience especially since it consisted of hands on programming in engagement part. There was a diversity of topics that provided participants with the basic skills needed for large-scale programming. It was a great opportunity to learn from industry professionals. Thanks to all trainers, Ma'am Sundas, Sir Nasir, Sir Irtaza for their professional approach. I really enjoyed the time throughout the course, the venue and the staff.

ATEEQ AHMED

"My experience about this institute means a lot for me, because this institute is the best in Vocational Training because of excellent faculty and education system. Their teaching way is very unique. During the course I enhance my technical skills and soft skills as well, which made me to interact with people more confidently and less uncertain about my abilities"
