ABOUT TRAINER

With an experience of over 4 years as a lead software developer at 360 Technologies (Pvt.) Ltd,

Ms. Mehak Inam has worked on numerous projects including Pakistan Post, Travel Technologies Solutions developed for Global Airport Concierge and many other projects. She also has expertise in the all famous Code ignitor, Joomla, JQuery and CSS etc.

Ms. Mehak Inam is the lead trainer of this PHP Web development training program.

ABOUT PHP

PHP is one of the most famous and widely used server-side web programming language in today's world. Inductin has designed this 2-month extensive training program for PHP Web development to create websites and web applications. This course will help you to jump straight from the lecture halls to a corporate professional world where you will get exposure of the practical industry by gaining hands-on-experience on real time live projects which will provide a huge boost to your employability skills. This course is designed for all those who want to shape their career as a seasoned PHP developer. For a complete professional development experience, this course comes with soft skills training sessions which include but not limited to:

- **Presentation Skills**
- **Creative Problem Solving And Decision Making**
- **Leadership Skills**
- **Communication Skills (Listening Skills)**
- **Teamwork / Collaboration Skills**
- **Stress Management**
- **Emotional Intelligence (Eq)**

TESTIMONIALS

"The PHP course at Inductin helped me to learn the PHP framework which is a demand of industry. It diverted me towards the right direction according to industry requirements."

MUHAMMAD ASHHAR

I think our main purpose is to spend our time doing what we are best at. So I naturally kept PHP as my main priority. About my trainer, she is just awesome in her work, easy to communicate with, incredibly organized and a very passionate and experienced developer.

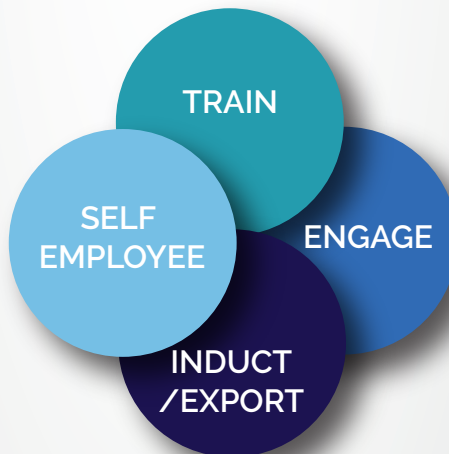

AAYSHA RAHIM

My experience about this institute means a lot for me, I always felt that this can be the benchmark for my career which I made it. I found this institute, the best in the era of Vocational Training because of excellent faculty and education system which made me thinking "Out of the Box" and helped me develop my online career at [upwork.com](https://www.upwork.com).

SHEHRYAR ABID

360 Technologies specialized in headhunting and HR outsourcing solutions, currently has outsourced over 100 plus resources to different industries of Pakistan. We continuously strive to improve by adapting latest management techniques. we have learned the market demands and we work to fulfill those requirements so the organizations can focus on their core business function, rather than the Human Resources conducting them.

We have an incubation center, run and managed by our technology leaders, placed right in the middle of universities, producing the resources based on our requirement gathered from the market on latest tools and technologies, selling our resources through our highly interactive and rich profile based portal InductIn (www.inductin.com), to different industries of the world.

360 technologies brings

in collaboration with
National Institute of Science
& Technical Education

A LEARNING PLATFORM & RESOURCE DEVELOPMENT
**BY THE INDUSTRY
FOR THE INDUSTRY**

A first of its kind Public-Private Partnership for an end to end,
360 degree, youth development initiative with hard and soft
skill development to create job-ready resource.

We are here to fill the gaps
BETWEEN

**Academia and Industry
Industry and Human Resource**

WE PREPARE THE RIGHT RESOURCE FOR THE RIGHT JOB
